

180° SHOWER

WE CAN CREATE YOUR IDEAL SHOWER

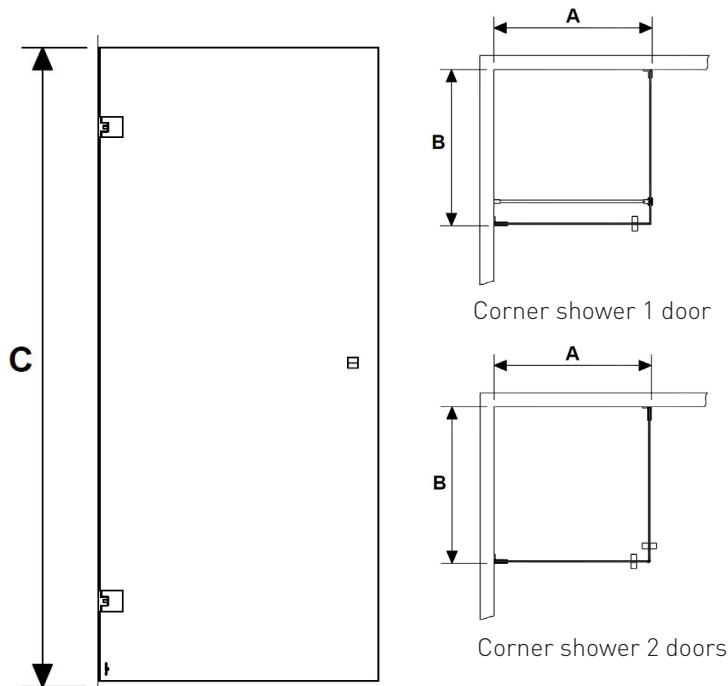

SVEDBERGS

180° SPECIAL 1

We can customise your shower exactly as you want it. We offer shower widths of 20 to 100 cm. Shower heights of 50 to 200 cm (glass height 198.2 cm + 1.8 cm gap to floor). Glass can be cut diagonally or otherwise customised to your needs. Be very precise when taking the measurements. After taking all the measurements, double-check that they are correct. Then submit the finished sketch to your Svedbergs dealer. Estimated delivery time is 3–4 weeks from receipt of the order and sketch. Special orders cannot be cancelled or returned.

SPECIAL 2

With Special 2, the same shower models are available as for Special 1, but you can choose dimensions that are larger than our standard widths and heights (n.b. doorwidth max. 100 cm). Please ask us about the possibilities. Please refer to the measurement units specified in the sketches for Special 1. If the model which you require is not showed, do not hesitate to contact us. It's quite possible that we can produce your model also. Please contact Svedbergs for a quote.
